

Beaver Creek Coho Release Site

Pay Parking is in effect in Stanley Park.

1. Park on Pipeline Road and take Tisdall Walk (at the Beaver Lake sign).

2. At the lake turn right and follow the trail around the lake edge to Beaver Creek. The creek is fenced off.

Take Ravine Trail

3. With your back to the lake look for **Ravine Trail** on the LEFT side of the creek. Follow the trail to a small footbridge then cross to the right side of the creek.

4. On the right side of the creek look for a large forked tree. The site (X) has a small gravel area beside the creek for students to safely release their fry. Walk carefully to protect streamside plants.
